Description: This book (MS.LAT.851) is the fourth volume of the five books of "La scuola del Cristiano" (MS.LAT.848-852), edited in Rome in 1833. This book contains handwritten pages, alternated with prints. These prints all have different origins – some of 16th/17th century Netherlands, others from Germany, France or Italy. In this volume, there are 2 prints with a Flemish or Netherlandish origin. This volume is based more on handwritten texts than on prints – and there are even fewer prints with a Flemish or Netherlandish origin. The prints that are in this volume and do not have a link with Flanders or the Netherlands were not incorporated in this database.
